# MESSAGE FROM THE LEADERSHIP

**Name:**

**Nirmal Soni**

**Designation:**

**Director and Founder of  
Team Hash Foundation**

It is with great pride and gratitude that I share that our NGO has successfully completed three impactful years. As we present the Annual Report for the year 2024–25, we reflect on our journey of growth, commitment, and purpose.

Team Hash Foundation emphasizes inclusive and accessible cyber safety awareness, proudly supporting law enforcement in solving cybercrime cases. They thank dedicated volunteers and officers for their vital roles and reaffirm their commitment to expanding outreach, enhancing programs, and building a safer digital society.

Over the past year, we have made significant strides toward achieving our core mission: to empower students of various age groups from private schools and colleges, and to educate them on cyber safety, equipping them with the knowledge and tools needed for safe and responsible internet use.

# MESSAGE FROM THE LEADERSHIP

**Name:**

**Shivam Kumar Singh**

**Designation:**

**Director & Co-Founder  
Team Hash Foundation**

I would like to extend my heartfelt gratitude to all the dedicated and selfless members of Team Hash Foundation. Your unwavering commitment to a common cause, even in the face of the most challenging situations, is truly commendable. A heartfelt thank you to all law enforcement officers for your invaluable support, which has been crucial to our mission's success and growth. Your trust has empowered us to achieve new milestones. Our Cyber Cop tool has proven to be a powerful asset in assisting law enforcement agencies in tackling cybercrime. Since its launch, we have witnessed a significant rise in officer engagement, validating the value it brings to the field. To our brilliant technical team thank you for your innovation, dedication, and relentless pursuit of excellence. Together, we will continue to create impact, solve real-world problems, and drive meaningful change.

# ABOUT US

Team Hash Foundation is a non-governmental organization focused on enhancing cybersecurity.

We provide free cybersecurity services to startups and law enforcement agencies, helping them establish robust security measures and combat cybercrime. Our offerings include assessments, consultations, and training to raise awareness and improve practices in the community.

By empowering these entities, we aim to create a safer digital environment and adapt to the evolving cybersecurity landscape.

By empowering these entities, we aim to create a safer digital environment and adapt to the evolving cybersecurity landscape.

# KEY PROJECTS & INITIATIVES

*Cyberkatha – Rajasthan Chapter*

*Our Flagship Cybersecurity Awareness Programme*

## Objective

To educate and empower students from government and private middle/high schools and colleges in Rajasthan with essential knowledge and skills related to cybersecurity, digital safety, and responsible internet usage.

**DISTRIBUTION OF LEARNING MATERIAL:**

Circulation of easy-to-understand guides, posters, and digital toolkits on cyber safety.

**FEEDBACK & MONITORING:**

Collection of feedback from institutions and students to assess awareness levels and improve content delivery.

# Activities Conducted

## WORKSHOPS & SEMINARS:

Conducted interactive sessions in schools and colleges focusing on cyber hygiene and online safety.

## DIGITAL LITERACY DRIVES:

Engaged students through hands-on sessions, quizzes, and awareness campaigns.

## TRAINING OF TRAINERS (TOT):

Sessions conducted to train educators and volunteers to carry forward the message.

## ONLINE WEBINARS & RESOURCE SHARING:

Extended reach through online platforms during pandemic and remote access situations.

# Geographical Outreach

## Blocks/Towns/Villages include:

Kutchaman  
Deedwana  
Sujangarh  
Dabri  
Bhidasari and other nearby regions

# Number of Beneficiaries:

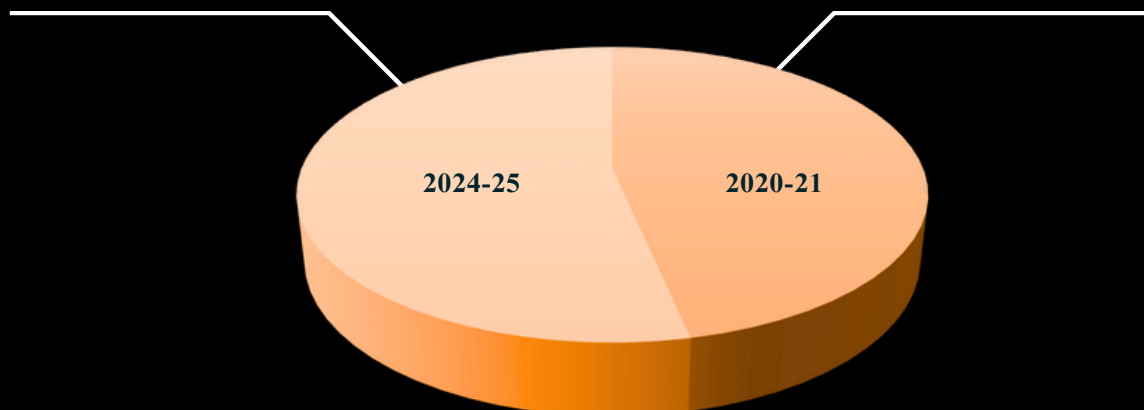

Total beneficiaries (cumulative): 15,000+ students

**8000+**

Expanded outreach in  
same and new areas

**7000+**

Govt./Private Schools &  
Colleges

# Cyber Security Awareness Programme Report

Date	Beneficiaries	Beneficiary Type	Programme Type	Place	Address
22 Feb 2024	125	Student	Cyber Security Awareness	Kutchaman	Government School, Kutchaman
17 Feb 2024	200	Student	Cyber Security Awareness	Kutchaman	Government School, Kutchaman
20 Feb 2024	62	Student	Cyber Security Awareness	Asota	Government Senior Secondary School, Asota
17 Feb 2024	110	Student	Cyber Security Awareness	Kusambri	Government Girls Senior Secondary School, Kusambri
23 Feb 2024	150	Student	Cyber Security Awareness	Sardi	Bharat Vidya Mandir Secondary School, Sardi

Date	Beneficiaries	Beneficiary Type	Programme Type	Place	Address
20 Feb 2024	109	Student	Cyber Security Awareness	Khanpur	Government Senior Secondary School, Khanpur
23 Feb 2024	63	Student	Cyber Security Awareness	Bhidsari	Government Senior Secondary School, Bhidasari
15 Feb 2024	131	Student	Cyber Security Awareness	Dabri	Government Senior Secondary School, Dabri
19 Feb 2024	250	Student	Cyber Security Awareness	Radoo	Government Senior Secondary School, Radoo
23 Feb 2024	167	Student	Cyber Security Awareness	Bhidsari	Adarsh Vidya Vihar Senior Secondary School, Bhidsari

# Outcomes and Impact

## INCREASED CYBER AWARENESS:

Over 15,000 students became more aware of cyber threats and responsible online behavior.

## COMMUNITY RIPPLE EFFECT:

Students shared learning within families and peer groups, extending the impact.

## RECOGNITION PARTNERSHIPS:

Received multiple certificates of appreciation and positive feedback from educational institutions and local authorities.

## CAPACITY BUILDING:

Enabled teachers and volunteers to continue cyber awareness education sustainably.

## BEHAVIORAL CHANGE:

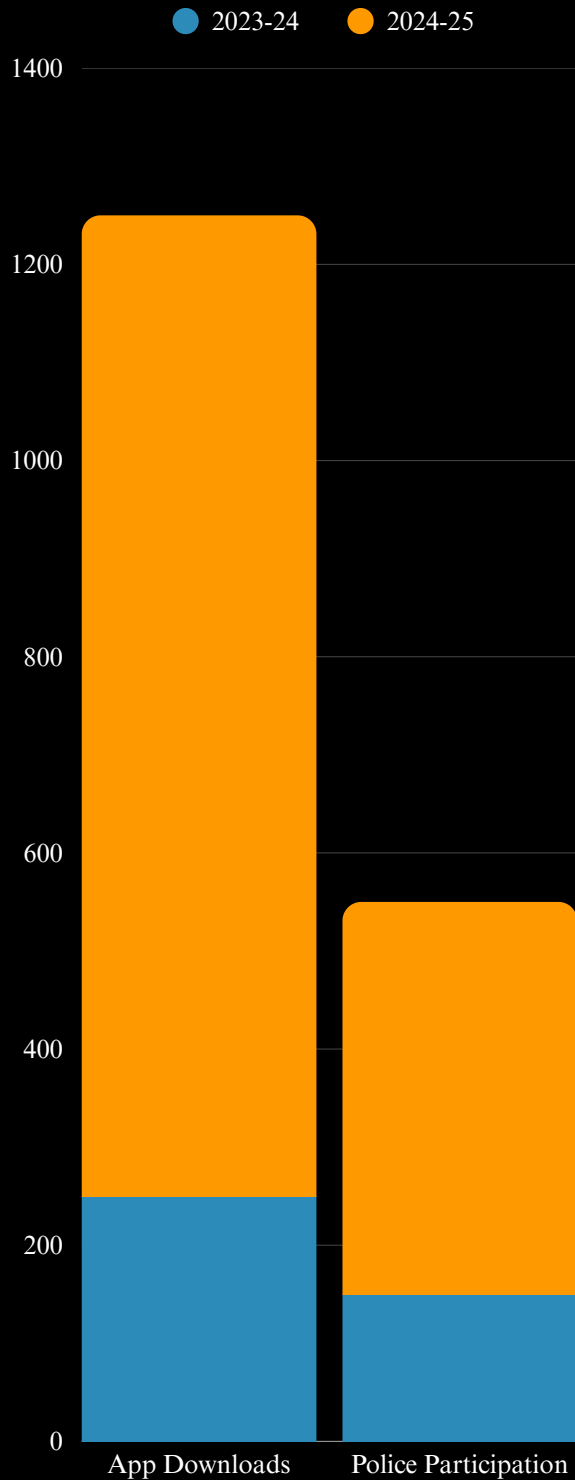

Noted reduction in incidents of cyberbullying and irresponsible online practices (as reported by partner schools).

# Cyber Cop App

Cyber Cop is a digital tool designed to assist law enforcement personnel and the public in accessing cybercrime-related utilities and databases. The app offers various investigative tools like IP grabber, IMEI checker, tower search, and more—empowering users with fast, secure, and intelligent search and tracking mechanisms.

Platform : Google Play Store  
Launched on 11 March 2023  
Designed for efficient and secure cybercrime support.

## *Donations Received*

**₹1,00,000**

*2023-24*

**₹2,95,800**

*2024-25*

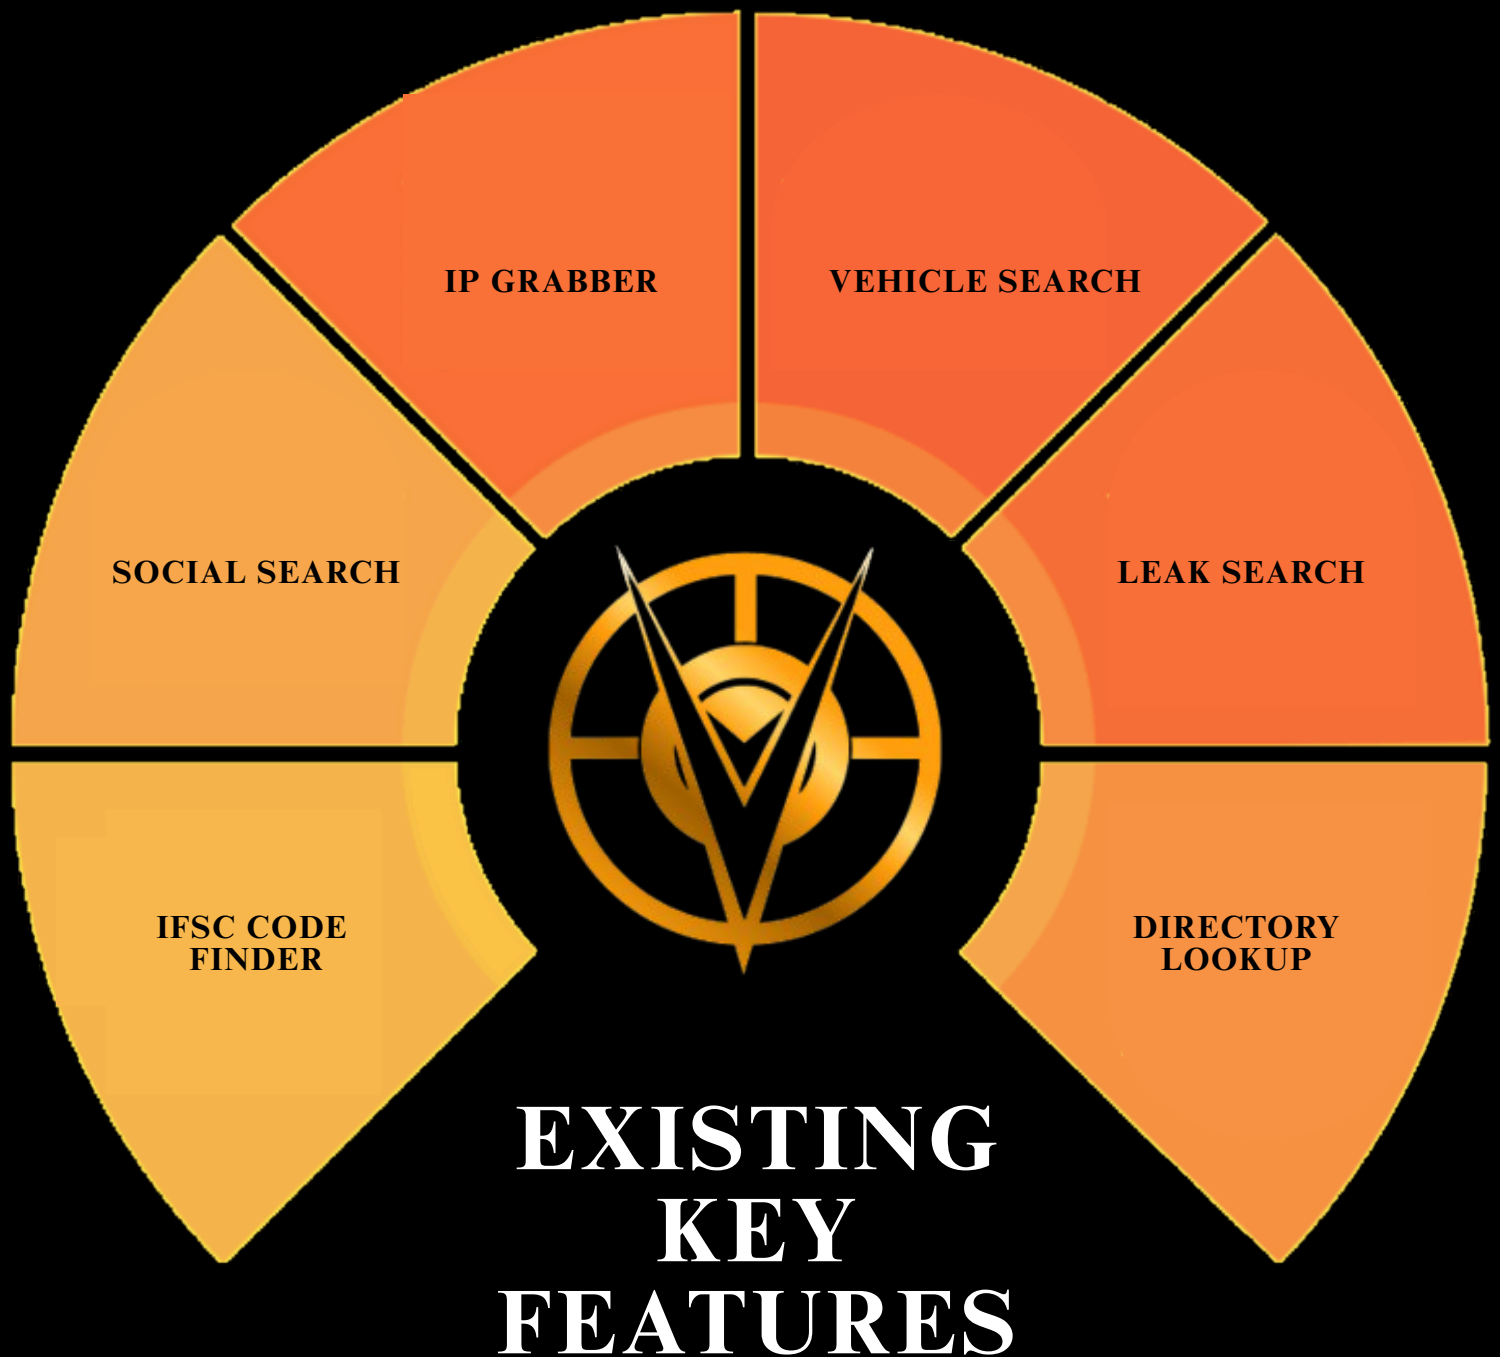

**4x**

*App Downloads*

**195%**

*Increase in Donations*

## FEATURE UPDATES (2024–25)

Major Update on 17 June 2025

New tools added to enhance investigative capabilities:

**Tower Search** – Locate tower registration details.

**Number Info Finder** – Extract SIM ownership and history.

**IMEI Checker** – Verify device validity and history.

## OUTLOOK FOR FY (2025-26)

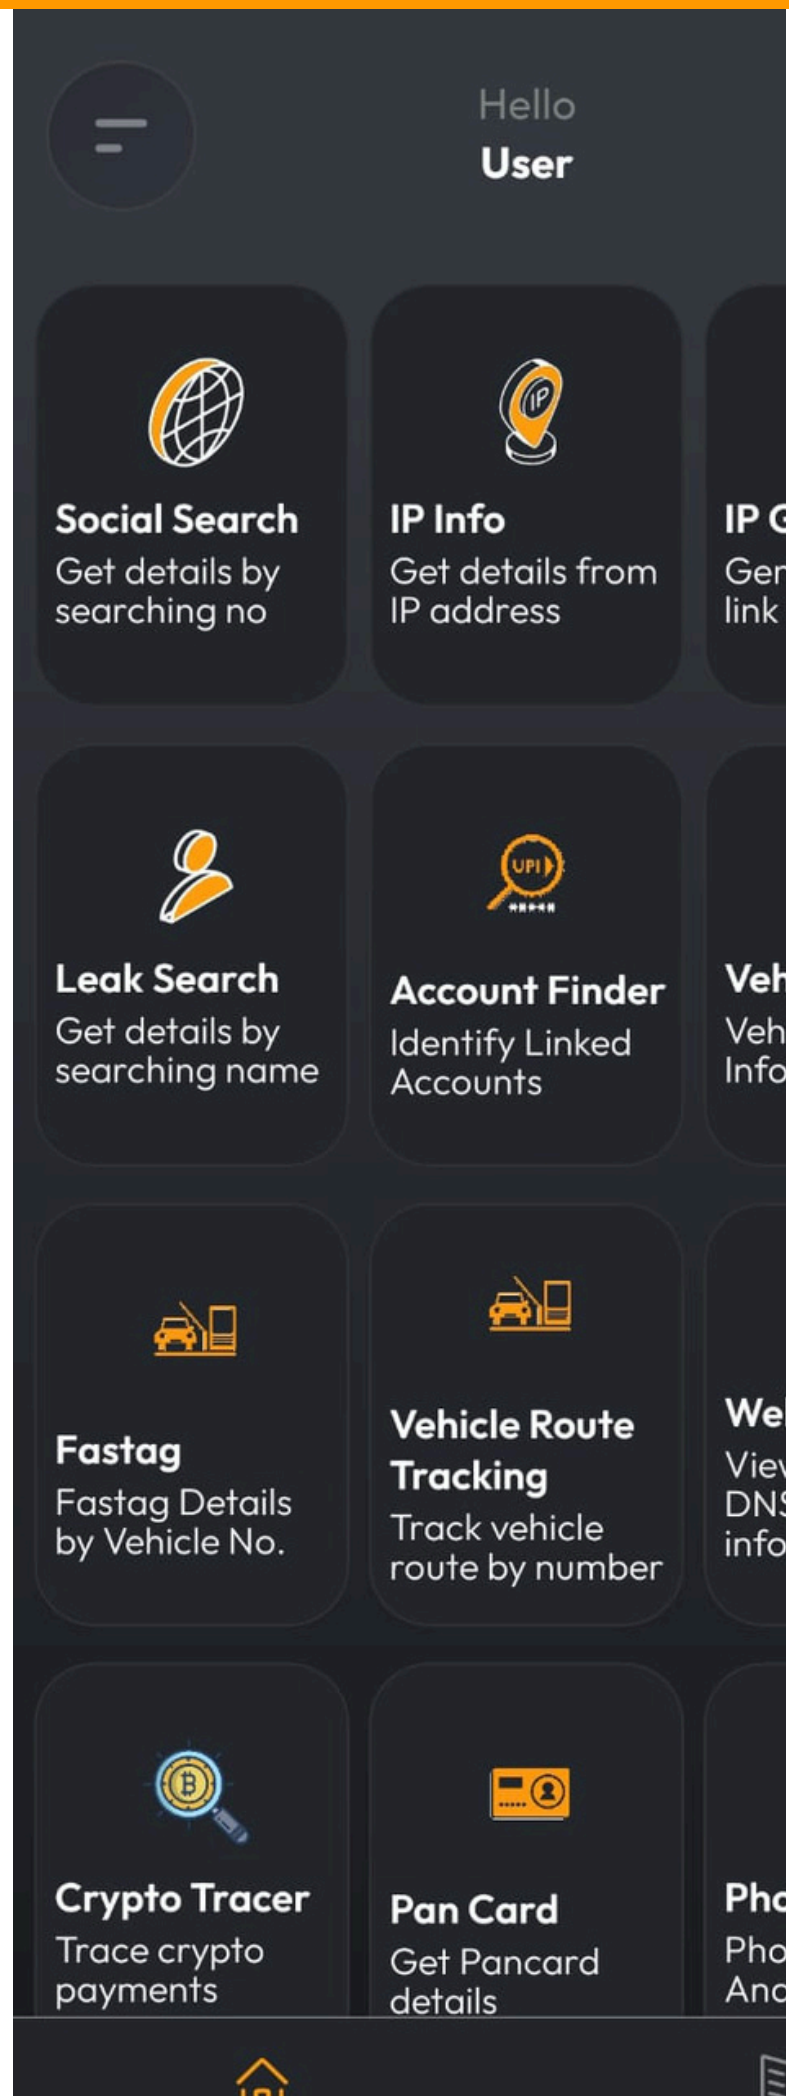

With enhanced features and rising law enforcement engagement, Cyber Cop aims to:

Cross **5000+** downloads

Reach **1000+** police users

Launch **AI-driven** search engine for more precise intelligence gathering

Expand collaboration with cyber cells and educational outreach

# CONCLUSIONS

The Annual Report 2024–2025 of Team Hash Foundation highlights our impactful work in promoting cyber safety across Rajasthan through our flagship program, **Cyberkatha**. The organization educated over **15,000** students from government and private schools and colleges via workshops, webinars, and digital literacy drives. We empowered educators through training sessions and awareness programmes, helping to expand our reach to remote areas. A major achievement was the launch and success of the Cyber Cop app, a tool aiding law enforcement in tackling cybercrime and solving Cybercrimes. The report also notes a significant rise in app downloads, donations, and law enforcement engagement, along with measurable outcomes like reduced cyberbullying and increased community awareness.
